

32. (New) A soldered electronic part or printed board, obtained by the method as defined in Claim 30.

33. (New) An electric appliance employing the electronic part or printed board as defined in Claim 31.

34. (New) An electric appliance employing the electronic part or printed board as defined in Claim 32.

REMARKS

Claims 15-34 are active in the present application. Claims 1-14 have been cancelled. Claims 15-34 are new claims. Support for the new claims is found in the original claims. No new matter is believed to have been added by this amendment. An action on the merits and allowance of the claims is solicited.

Respectfully submitted,
